FORMAT:

We will conduct a draw on Sunday, July 12th during the finals of the Best of the Rest Tournament at Racks to decide the match-ups. We will play 8-ball and 9-ball. Before the start of your match, you will flip a coin. The winner of the coin toss gets to choose whether you are going to play 8-ball or 9-ball. The race will be based on the established skill levels of the 2 players. This will introduce 8-ball to 9-ball players and vice versa! This is going to be a lot of fun! If you register for the event and don't show up, you forfeit the \$20. This is the only week to register. If you miss out on the registration period, you will not be eligible to play...no excuses!
