ADAM'S TIP OF THE WEEK

• DON'T WAIT UNTIL IT'S TOO LATE TO MAKE UP MATCHES! •

- *The deadline for making up matches for the Summer 2009 Session is SATURDAY, AUGUST 22. Please note that the Summer 2009 regular-season schedule doesn't end until mid-September. This means that if you know that you won't be able to play a match during one of those late Summer Session weeks, you must schedule a make-up match prior to Aug. 22. **LOOK AT YOUR ENTIRE SCHEDULE SO YOU CAN PREPARE.** If matches aren't made up by the deadline, all points will be forfeited (and teams will have to pay for the matches anyway). There will be no exceptions.*
- *As soon as your team and your opponents' team schedule a make-up match, you must immediately contact the League Office so we can print the scoresheets for the match and get them to you.*
- *For the most up-to-date information about make-up matches, or to check if your team needs to make up a match, surf over to our website and click on the "Make-Up Matches" link on the home page.*
